DEBOSSING

We offer three tiers of debossing for personalizing your covers. Standard Debossing includes 14 plain text options on up to two lines; the Debossing Collection offers 16 pre-made and semi-custom designs; and, Custom Debossing offers the freedom to submit any unique design, in a small or a large size - small designs measure 4x2 inches and large designs measure 7x3 inches.

Blind debossing is our default style of debossing, which means no color or foil is added to the impression. Foil debossing is available exclusively on Luxe Linen covers, in gold, rose gold, and silver.

MOONSTONE

Note: Some cover materials deboss better than others. For materials that are hard to deboss, we recommend using a cameo instead. Refer to our website or contact our team for additional details.

DEBOSSING

STANDARD DEBOSSING

Standard debossing is our base-level debossing option. We offer 14 font types, and you can choose up to two lines of text and any letter case of your choice.
